1.3 ROLL CALL

2.0 PUBLIC HEARING: CONTINUED FROM FEBRUARY 10, 2011

MARCH AIR RESERVE BASE

- 2.1 ZAP1068MA10 – U.S. Veterans Initiative/March Joint Powers Authority (Representative: Sares-Regis Group) – JPA Case Nos: SP08-01, Amendment No. 1 and Plot Plan No. 10-02. A proposal to establish a 323-unit veterans' transitional housing facility on 7.75 acres located southerly of N Street, easterly of 4th Street, and westerly of 6th Street within the March Lifecare Campus portion of the former March Air Force Base (generally located southerly of Cactus Avenue and westerly of Heacock Street), and to amend the March Lifecare Campus Specific Plan so as to provide for the proposed facility and to deviate from parking requirements. The project site is located within the March Joint Powers Authority land use jurisdiction and is within Area II of the March Air Reserve Base Airport Influence Area. ALUC Staff Planner: Russell Brady at (951) 955-0549, or e-mail at rbrady@rctlma.org.

Significant exposure to litigation pursuant to subdivision (b) of Section 54956.9: One potential case.

4.0 **CONTINUED CASE - HEARING CLOSED, DECISION DEFERRED**

PERRIS VALLEY AIRPORT

- 4.1 **ZAPEA01PV08 – ALUC Initiative.** The Riverside County Airport Land Use Commission will consider whether to adopt a Negative Declaration, prepared pursuant to the California Environmental Quality Act, for the proposed Airport Land Use Compatibility Plan for Perris Valley Airport ("Compatibility Plan"). The Commission will consider whether to adopt a Compatibility Plan, which includes an Airport Influence Area (AIA) with new boundaries, for Perris Valley Airport. The new AIA includes the geographic area in which noise, safety, airspace protection, and/or overflight concerns may significantly affect land uses or necessitate restrictions on those uses. The Compatibility Plan includes policies for determining whether a proposed development project lying within the AIA is consistent with the Compatibility Plan. The intent of the Compatibility Plan is to ensure the continued operation of Perris Valley Airport while simultaneously protecting the public health, safety, and welfare. The Plan includes Additional Compatibility Policies that are tailored specifically to the Airport's land use environs and lessen the effects on densities and intensities of future development proposals (in comparison to a Plan that did not include such policies). Perris Valley Airport is located easterly of Goetz Road and southerly of Ellis Avenue and Case Road in the City of Perris. The proposed AIA would include properties in the City of Perris, City of Menifee, and unincorporated Riverside County; however, most of the affected properties are located in the City of Perris. ALUC Staff Planner: John Guerin at (951) 955-0982, or e-mail at jguerin@rctlma.org.
