4.2 Detention Basin Size and Wildlife Hazard Reports – General Discussion

5.0 REQUEST FOR SPECIFIC DELEGATION OF AUTHORITY – Countywide Ordinance Amendment. ZAP1045RG20. County Case No. CZ1900021. This is a proposal to amend Section 19.519 of Riverside County Ordinance No. 348 to reduce the required distance between cannabis retailers from 1,000 feet to 250 feet and to amend Section 19.518 so as to add the C-O (Commercial-Office) zone to the list of zones where storefront cannabis retailers would be allowed within a permanent structure, with an approved conditional use permit. This proposal would qualify as a non-impact legislative amendment if it were proposed by the County, but, since it is being proposed by a private applicant, the provisions of Resolution No. 2011-02 authorizing action by the ALUC Director do not apply. Therefore, this proposal is tentatively scheduled for ALUC Commission review at its March 12 meeting. The applicant team requests a specific delegation of authority to the ALUC Director to render a no impact consistency finding for this amendment prior to the March 12, 2020 hearing.
